Hahn Plan Praised

Supervisor Kenneth Hahn's request that the county library system rearrange its schedules so branches will be open during the hours of highest demand this week won commendation from the Centinela Valley Council PTA.

Kaag Trophies Moving Firm to Torrance

Kaag Trophies, one of the nation's best known manufacturers of trophies, plaques, loving cups, and awards, has bought a site on 174th St., just west of Western in North Torrance, it was announced by K. O. Dean, partner.

Dean, who lives in the Hollywood-Riviera section of Torrance, said his firm made the decision to leave Los Angeles after more than 20 years because of the better business climate here.

Dean said, "Torrance city and Chamber of Commerce officials are cognizant of the importance of industry and have done everything possible to cooperate with us. I know we'll be very happy here."

Dean and Al Larsen are partners of the firm which will employ 125 persons on property bought by the profit-sharing trust of the firm's employees.

The employees participate in up to 15% of the profits, Dean said.
